WORK EXPERIENCES

WarrenPrint INC. (OJT)

- Developed visual materials for social media, ads, and marketing campaigns, as well as creating promotional materials like posters, banners, and ads
- Worked closely with the marketing team to create creative ideas for the promotion activities. Created high-quality visuals within a very short time frame.

Animator (Work Immersion) | Electron College

- Learns the basic principles of animation including timing, spacing, squash and stretch, anticipation, and follow-through to produce smooth and realistic motion.
- Creates traditional hand-drawn sketches of characters, objects, and scenes on paper as the first step in the animation process.

PROJECTS

Time Tag – Multiplayer Game

- Served as 3D modeling of assets and characters and made music's on the game for a 4-player multiplayer game where players pass a timed bomb to avoid explosion and score points.
- Used blender for 3D modeling and animated the movements and used FL studio for creating music's on the game.

Time Tag Website

- Worked as part of a two-person team in creating a website for our game through front end and back-end programming to achieve functionality and good design.
- Collaborated in designing the website layout, creating interactive user interfaces, and implementing responsive features for smooth navigation across different devices.

SKILLS

- With skills in graphic designing, 3D modeling, and visual composition, including proficiency in using Adobe Photoshop, Illustrator, and Blender, as well as experience in creating content for social media platforms, ads, and brands while showing creativity, attention to detail, time management skills, and teamwork capabilities.
- Strong communication skills, the ability to work in teams, collaborate, and adapt to a fast-paced work environment while maintaining high-quality output.

EDUCATION

BS Entertainment and Multimedia Computing

University of Caloocan City | 2023 (coming 4th year)
